Mitigation in Ontario Employment Law KF 3320 .ZB3 M57 2023

The library purchased this title last November, but it has come to my attention that TBLA's very own members Hayley Yorke and Erin Hansen co-authored Chapter 5 of the "Mitigation in Ontario employment law" book! Kudos to Hayley & Erin as authors!

Photocopying in the library

All accounts on the copier were reset to "0" for Jan 1, 2024 and I forsee no need to charge our members for photocopying this year. We have had a number of visiting counsel contribute to the photocopy budget this spring already!

If you would like to recommend a book title for the library collection, maybe even one of special interest, please email Helen with your suggestion!
