

Lexis+

Content Overview

Lexis+ is an integrated legal workflow solution offering comprehensive case law, commentary, current awareness as well as practical guidance, and data-driven insights — all in one place.

Canadian Case Law

LexisNexis® Canada has an extensive collection of court cases and hard to find cases including every case reported by publishers from 1970 forward, as well as all cases decided prior to 1970 that have been cited after 1970. Also included are 140 boards and tribunals decisions from all jurisdictions.

Canadian Legislation

Our collection of statutes, regulations, and rules of courts for provincial, territorial, and federal jurisdictions offer a variety of functionality including annual versions, historical legislation, repealed statutes, and Point-in-Time versions.

Legislative Pulse

Stay on top of upcoming legislative changes before they come into force with the Legislative Pulse online bill and regulation tracking service.

Legal Encyclopedias

Halsbury's® Laws of Canada is the black letter statement of the law that provides definitive legal information focused on the law as it stands today. It is the only up-to-date national legal encyclopedia in the market.

Juris Classeur™ Quebec is written by university professors and practicing lawyers. This Quebec legal encyclopedia gives the status of the law as it stands today and is updated every year.

Commentary*

Access over 500 full-text textbooks and looseleaf publications that cover 23 areas of law. Users can perform keyword searches, browse by chapter or by section using the detailed table of contents.

Canadian Forms & Precedents*

Draft customized documents with the ever expanding comprehensive set of forms and precedents that cover every significant area of law.

Canada Quantums

The Canada Quantums Digests are a source of case summaries. Organized by a topic-specific classification scheme, these sources facilitate the preparation and evaluation of your case.

Current Awareness: NetLetter® Issues & Newsletters

NetLetter Issues and Newsletters help users stay informed of the recent

developments in a variety of practice areas. These valuable resources provide the confidence a lawyer needs before going into court.

Law Journals & Reviews

This collection offers legal journals authored by some of the most well-known organizations and universities.

Canada Digest

Canada Digest is a single point of access to a collection of over 1.4 million Canadian court and tribunal summaries in fifty-two areas of law. The collection is organized according to the LexisNexis classification system.

Practical Guidance

Complete work efficiently with practice notes, checklists, annotated forms, and drafting tools across 13 practice areas, with guidance from over 450 practitioners and 167 Canadian law firms.
