

Westlaw Canada CriminalSource

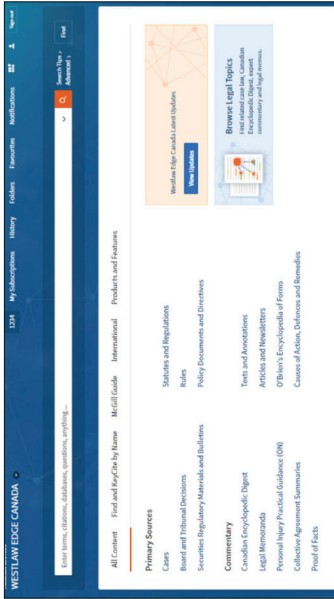

Your essential criminal law reference

Westlaw Canada

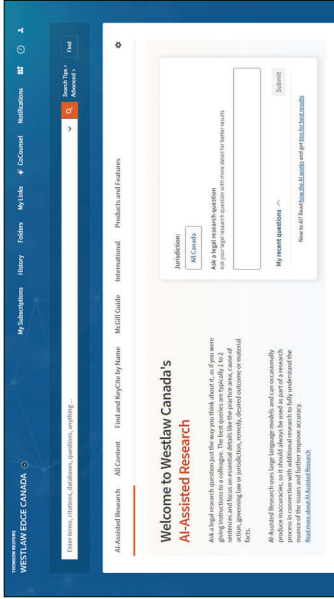

Thomson Reuters® Westlaw Canada is the award-winning online legal research service that helps you find the legal information you are looking for quickly and confidently. Access industry-leading legal content, unmatched editorial enhancements, and world-renowned research support.

Westlaw-Edge Canada

Westlaw Edge Canada brings together a legacy of quality and accurate legal research and innovative workflow enhancements so you can work, think, and deliver even faster. It builds on the premium content and editorial expertise of Westlaw Canada to offer an enhanced legal research experience to users.

Westlaw-Edge-Canada with CoCounsel

Westlaw Edge Canada with CoCounsel is the first professional-grade generative AI assistant that streamlines tasks and entire workflows, enabling you to deliver even more value to clients and organizations quickly and confidently. This, combined with the unparalleled library-Westlaw content, makes Westlaw Edge Canada with CoCounsel the most powerful and trustworthy legal research solution available to the Canadian market.

CriminalSource

The case law, commentary, and current awareness you need, all in one place.

1 CriminalSource search: search all Westlaw® Canada CriminalSource® content, and only CriminalSource content, from the federated search box at the top of the page.

2 Annotation search: quickly find a section of the Criminal Code or other legislation, along with direct links to annotations by Canada's leading criminal law experts.

3 Carswell's Criminal Law Digest: explore the criminal-specific taxonomy of case law digests, organized by offence, evidentiary issue, or general criminal subject.

4 Primary Sources: never miss a case on point or a relevant piece of legislation, thanks to a comprehensive collection of case law, legislation, and rules.

5 Texts and Annotations: search or browse essential texts by respected lawyers, academics, and members of the judiciary on topics including offences, pleadings, procedure, evidence, and sentencing, as well as several annotated copies of the Criminal Code.

6 Criminal Related Titles: discover additional commentary from leading experts: Available with additional subscriptions.

7 Articles and Newsletters: stay current on recent court decisions and other developments, with newsletters written by preeminent authorities in the field.

8 Tremear's Offence Tables and Martin's Offence Grid: search one of our offence grids — Martin's Offence Grid or Tremear's Offence Tables — and link to supporting materials and expert commentary that help guide your critical decision in minutes.

9 Mack's Jury Charge Review: survey a unique collection of full-text criminal law jury charges that have been reviewed by courts of appeal or the Supreme Court of Canada, accompanied by expert reviews.

The screenshot displays the CriminalSource website interface. At the top, there's a navigation bar with 'WESTLAW EDGE CANADA' and a search bar. Below this, the main content area is divided into several sections, each marked with a red number from 1 to 9. Section 1 shows the 'CriminalSource' logo and search options. Section 2 highlights 'View a Section of Criminal Legislation along with relevant annotations & histories'. Section 3 points to 'Carswell's Criminal Law Digest'. Section 4 indicates 'Primary Sources' including 'CriminalSource Cases and Decisions'. Section 5 shows 'Texts and Annotations' like 'All Criminal Statutes and Regulations'. Section 6 lists 'Criminal Related Titles' such as 'Admissibility of Statements, 9th Edition'. Section 7 points to 'Articles and Newsletters'. Section 8 highlights 'Finding Tools (not in CriminalSource search)' like 'Tremear's Offence Tables'. Section 9 points to 'Mack's Jury Charge Review'.

What's in CriminalSource Core

Included with all CriminalSource subscriptions

Cases and Decisions

CriminalSource contains a comprehensive collection of criminal, constitutional, evidence, motor vehicle, and immigration cases from all Canadian jurisdictions.

- **Crown's Newsletter**
A once-yearly publication of the Ontario Crown Attorneys' Association. Volumes include articles and commentary on a variety of legal topics, with a goal of providing legal analysis and information on current issues in the criminal law and the criminal justice system. Coverage begins with 2016, volume 7.

Statutes, Regulations, and Rules

The CriminalSource legislation database contains the full text of all federal, provincial, and territorial legislation essential to a criminal law practice.

- **Motor Vehicle Reports archived articles**
Full-text articles, annotations, and case comments from the *Motor Vehicle Reports*. Coverage includes 1979 through 2022.
- **National Journal of Constitutional Law**
Full-text articles from the *National Journal of Constitutional Law*. Coverage begins with 1998, volume 9.

Articles and Newsletters

- **Canadian Criminal Cases articles**
Full-text articles, annotations, and case comments from *Canadian Criminal Cases*. Coverage begins with 1898.
- **Carswell's Criminal Reports articles**
Articles, annotations, and case comments published in *Carswell's Criminal Reports*, which cover criminal offences, procedures, and evidence from Canadian federal and provincial courts. Coverage begins with 1973.

Finding Tools

- **Carswell's Criminal Law Digest**
A collection of case law digests, organized by offence, evidentiary issue, or general criminal subject.

What's in Criminal Commentary Package 1

Available with a subscription to CriminalSource Commentary Package 1¹

Texts and Annotations

Online access to treatises by Canada's foremost criminal law experts. Build a legal strategy in less time and with more confidence.

- **Annual Review of Criminal Law, Steve Coughlan, Adelina Iftene, and Robert J. Currie**

This annual publication recaps the most significant case law and statutory changes each year. The authors draw on their extensive experience of criminal law, procedure, and sentencing to provide insight explaining just how developments impact the daily practice of criminal law. Coverage includes every edition since 2004.

- **Canadian Criminal Code Offences, Henry Waldock and John L. Gibson**

An acclaimed practice manual covering the most commonly charged Criminal Code offences, including relevant statutory provisions, the best wording for the charge, the elements required to prove the offence, a discussion of relevant case law, and recent developments.

- **Canadian Sentencing Digest, R. Paul Nadin-Davis and Clarey B. Sproule**

This publication digests federal and provincial court decisions on the quantum of a sentence under the Criminal Code and other related statutes. Cases are organized by the year they were added to this publication, then by statute and offence. Coverage begins with 1980.

- **Counroyer, Code criminal annoté, Justice Guy Counroyer**

This French-language work is the standard reference for practitioners, judges, and law enforcement officers in Quebec. It features the Criminal Code and related legislation, annotated with case law digests summarizing all key decisions on criminal and penal matters from the Supreme Court of Canada, the courts of Quebec, and the other provinces of Canada.

- **Crankshaw's Criminal Code of Canada, Gary P. Rodrigues**

This work features a comprehensive collection of case law digests annotating sections of the Criminal Code and related statutes. It also features an invaluable legislative history collection documenting the evolution of each section of the Criminal Code and related statutes since their inception, complete with the full text of the relevant precursor sections.

- **Criminal Law Evidence, Practice and Procedure, Henry Waldock and John L. Gibson**

This practical resource provides step-by-step guidance to evidentiary, procedural, and practice topics that arise in criminal law practice. Each chapter deals with one issue and sets out all relevant Criminal Code sections, statutory provisions, and points of practice and procedure.

- **Disclosure and Production in Criminal Cases, Murray D. Segal**

A legal commentary examining the requirements imposed on the Crown, police, and defence counsel to disclose the contents of their investigation file and to produce documents prior to a criminal trial. Decisions interpreting and applying the obligations are thoroughly reviewed, drawing on cases from across Canada and from courts of all levels.

- **Tremear's Annotations, The Honourable David Watt and Justice Michelle Fuerst**

Annotations from the Annotated Tremear's Criminal Code — including commentary, case law, jury instructions, and related provisions — for each section of the Criminal Code and related statutes. A collection of forms of charges is also included.

- **Watt's Manual of Criminal Evidence, The Honourable David Watt**

A handbook covering the Canadian statutory and common law rules of evidence, including author commentary and case law annotations.

What's in Criminal Commentary Package 1 - Continued

Articles and Newsletters

- **Canadian Criminal Law Review**
A review of current issues related to criminal law practice in Canada. Articles are in English with selected articles in French. Coverage begins with 1998, volume 3.
- **Cournoyer-Ouimet en bref, Justice Guy Cournoyer and Gilles Ouimet**
A French-language newsletter providing expert analysis of current developments in Canadian criminal law, as well as highlights of important new case law, legislation, and periodical literature. Coverage begins with November 2007.

- **For the Defence – The Criminal Lawyers' Association newsletter**
The official newsletter of the Criminal Lawyers' Association. A critical current awareness publication for the busy criminal lawyer, *For the Defence* is a strong voice for criminal lawyers and everyone concerned with the quality of criminal justice. Articles feature the various perspectives of criminal law experts in plain language, on the most talked about topics of the day. Coverage begins with the September 2010 issue (vol. 32, no. 1).
- **Mack's Criminal Law Bulletin, Dallas Mack**
This biweekly newsletter offers commentary on current issues in criminal law. Each bulletin focuses on a particular criminal law issue, highlighting recent developments in that area. Coverage begins with July 2011.

- **Neuberger's Sexual Assault Law Updates, Joseph Neuberger**

Neuberger's Sexual Assault Law Updates, formerly Milligan's Criminal Law Advisor, is a bimonthly newsletter reviewing the latest case law and legal issues that apply in sexual assault cases across Canada. Coverage begins with November 2007.

- **Police Powers Newsletter, Justice Michelle Fuerst, Scott Fenton, and Justice Susan Magotiaux**

Analysis of current legislative and case law developments relating to police powers in Canada. Coverage begins with August 2012.

- **RegQuest, Justice Rick Libman, Bernard Aron, and John Allen**

Analysis of current developments in Canadian regulatory offences and compliance, featuring highlights of important new case law and legislation. Coverage begins with May 2008.

- **Segal's Motor Vehicle and Impaired Driving Newsletter, Murray D. Segal**

Discussion of motor vehicle and impaired driving cases of currency, interest, and relevance across Canada. Coverage begins with November 2008.

- **Watt's Criminal Law and Evidence Newsletter, The Honourable David Watt**

Analysis of current developments in Canadian criminal law including highlights of important new case law, and legislation. Coverage begins with November 2002.

Finding Tools

- **Tremear's Offence Tables (with Sentencing & Procedure Options), The Honourable David Watt and Justice Michelle Fuerst**

A valuable reference for ascertaining maximum and minimum sentences, assessing ranges, and evaluating options and orders.

¹ CriminalSource subscribers who subscribe to Commentary Package 2, but not Package 1, can use these resources on a pay-per-view basis.

What's in Criminal Commentary Package 2

Available with a subscription to CriminalSource Commentary Package 2²

Texts and Annotations

Online access to treatises by Canada's foremost criminal law experts. Build a legal strategy in less time and with more confidence.

- **Canadian Criminal Procedure, 6th Edition, The Honourable Roger E. Salthany**

A leading work covering every aspect of the law of criminal procedure in Canada. This resource provides an authoritative analysis of each relevant provision of the Criminal Code. It covers the issues of classification of offences, jurisdiction, pretrial procedures, trial, sentencing, appeals, and extraordinary remedies.

- **Drug Offences in Canada, 4th Edition, Bruce A. MacFarlane, Robert J. Frater, and Croft Michaelson**

A trusted source for legal professionals involved in prosecuting or defending drug offences. This resource provides a detailed, unique, and cutting-edge analysis of all of the complex legal and strategic issues that can arise in a drug case, including historical and constitutional issues, the core offences, criminal organizations, evidentiary issues, defences, sentencing, and lawful access to drugs.

- **Martin's Annual Criminal Code, Edward L. Greenspan, Marie Henein, and The Honourable Marc Rosenberg**

Annotations from *Martin's Annual Criminal Code* — including case law, cross-references, and commentary — for each section of the Criminal Code and related statutes. A collection of forms of charges is also included.

- **Martin's Related Criminal Statutes, Edward L. Greenspan, Marie Henein, and The Honourable Marc Rosenberg**

Commentary and case law annotating selected sections of statutes and regulations relevant to criminal law but not included in *Martin's Annual Criminal Code*.

- **Sentencing: The Practitioner's Guide, Gary R. Clewley, Rachel E. Young, and Lindsay M. Kromm**

This resource provides the available sentences for offences in the Criminal Code. For each offence, it offers an analysis of the applicable sentencing principles, as well as the key factors influencing sentencing. Mandatory and discretionary dispositions are noted for each offence, and a representative sample of appellate cases demonstrate the spectrum of sentences imposed by judges.

- **Youth Criminal Justice Act Manual, Justice Miriam H. Bloomenfeld**

This manual provides a condensed, critical analysis of major topics in the *Youth Criminal Justice Act*. Commentary and annotations of the key provisions of the *Youth Criminal Justice Act* are provided, including a review of precedent-setting authorities and analysis of the specialized features of youth justice.

Articles and Newsletters

- **Criminal Law Quarterly**

A criminal law journal connecting practitioners to important issues and cases since 1958. Coverage begins with Volume 1 and is current through the present.

Finding Tools

- **Martin's Offence Grid, from Martin's Annual Criminal Code**

A valuable reference for ascertaining available sentences and penalties for offences under the Criminal Code.

² CriminalSource subscribers who subscribe to Commentary Package 1, but not Package 2, can use these resources on a pay-per-view basis.

What's in CriminalSource Add-ons

Available with a subscription to the Criminal Commentary Addition³

Criminal Pleadings and Practice in Canada,

3rd Edition, The Honourable E.G. Ewaschuk

The definitive practice manual covering all aspects of the criminal process, from the laying of a charge through the passing of a sentence, as well as appeals and extraordinary remedies. This text discusses issues relating to jurisdiction, trials, evidence, the Charter of Rights and Freedoms, statutory interpretation, and division of powers. It analyzes and clarifies legal principles and rules in an accessible and comprehensive manner for the judiciary, the Crown, and defence counsel.

McWilliams' Canadian Criminal Evidence,

5th Edition, The Honourable S. Casey Hill,

David M. Tanovich, and Louis P. Strezos

The most comprehensive source in Canada for the law of criminal evidence. The authors trace the developments of the law of criminal evidence and identify the key elements of a modern principled approach. The work features analyses from judicial, academic, and practitioners' perspectives, and includes contributions from both Canadian and international experts.

Available with a subscription to the Criminal Case View Addition³

Case Views

View cases and decisions with the headnotes, annotations, summaries, and other material from leading case law reporters and summary services. Included publications:

- *Canadian Criminal Cases*

Additional resources to complement CriminalSource

Not included in any CriminalSource subscription package

Criminal Evidence Topical Texts and Annotations bundle ⁵

Authoritative texts and annotations from leading experts to enhance your practice. Available as the Criminal Evidence Topical Texts and Annotations bundle on Westlaw Canada.

Admissibility of Statements, 9th Edition, Anthony Doran

An exhaustive resource that discusses, distinguishes, and analyzes the latest cases relating to the admissibility of statements. This work helps practitioners master the rules of evidence and build compelling arguments.

DNA: A Practical Guide, The Honourable Justice David S. Rose, Dr. Lisa Goos

A valuable reference for investigators, prosecutors, and criminal defence attorneys on the legal and scientific aspects of DNA collection and analysis, as well as the presentation and scrutiny of DNA evidence in Canadian criminal courts.

Search and Seizure Law in Canada, Scott G. Hutchison

This work features a comprehensive examination of search and seizure law, including the effect of the Charter protection against unreasonable search and seizure.

Wiretapping and Other Electronic Surveillance: Law and Procedure, Robert W. Hubbard, The Honourable Justice Mabel Lai, and Daniel Sheppard

An indispensable guide to electronic surveillance and the law of search and seizure in Canada, providing a balanced look at electronic surveillance, from the perspectives of both the prosecution and defence, including commentary on relevant cases and legislation.

Criminal Procedure Topical Texts and Annotations bundle ⁵

Authoritative texts and annotations from leading experts to enhance your practice. Available as the Criminal Procedure Topical Texts and Annotations bundle on Westlaw Canada.

Assessing Dangerousness: Guide to the Dangerous Offender Application Process, Joseph A. Neuberger

From preliminary considerations through the hearings, order, and appeal processes, this publication reviews all relevant factors and elements essential to the dangerous offender and long-term offender regimes.

Garswell's Form and Precedent Collection: Criminal Law Precedents, 2nd Edition, The Honourable David Watt and Mr. Justice Joseph Di Luca

With hundreds of forms and expertly drafted precedents, this collection prepares practitioners for every stage of a criminal proceeding.

Criminal Practice Manual: A Practical Guide to Handling Criminal Cases, Liza Swale

This manual will assist the criminal law practitioner, whether defence counsel, Crown counsel, judge, law enforcement officer, or student, to quickly address problems commonly arising in the practice of criminal law.

Criminal Trial Handbook, The Honourable Roger E. Sathany

A common-sense guide to every step in the criminal proceeding, from pre-arraignment through the final verdict and sentencing, for defence counsel, Crown prosecutors, and trial judges.

Law of Bail in Canada, 3rd Edition,

The Honourable Mr. Justice Gary T. Trotter

The Law of Bail in Canada analyzes and explains practice and procedure relating to judicial interim release and bail pending appeal.

Law of Publication Bans, Private Hearings and Sealing Orders, James Rossiter

This book provides a comprehensive review of the statutory and common law of publication bans in Canada and restrictions on access to courts and court information by the public and media.

Mental Disorder in Canadian Criminal Law, Joan Barrett and The Honourable Justice Riun Shandler

This authoritative text provides comprehensive coverage of all issues related to mental disorder and the Criminal Code.

Quigley's Criminal Procedure in Canada,

The Honourable Justice David S. Rose

Formerly known as *Procedure in Canadian Criminal Law*, this work describes the law relating to the steps in the criminal justice system in the sequence that is most likely to occur in criminal cases, beginning with the police investigation and ending with appeals.

Working Manual of Criminal Law, Lesley Ruzicka and Matthew Scott

A useful courtroom guide for criminal law practitioners, this work integrates expert commentary with examination of the statutory provisions and case law relevant to key issues arising in criminal practice.

⁵ Available by subscription only

Criminal Offences Topical Texts and Annotations bundle ⁶

Authoritative texts and annotations from leading experts to enhance your practice. Available as the Criminal Offences Topical Texts and Annotations bundle on Westlaw Canada.

A Guide to Breathalyzer Certificates in Canada;
